

Dear OGWA Members,

Hello to all of you. I hope your summer is going well. As this year's fall convention chairman, I am writing this letter inviting all of you (including your families and co-workers) to attend the 2009 OGWA Fall Convention.

This year's theme is "Back to the Beach" since our convention facility will be the beautiful "Five Star" destination beach community of Salishan Spa & Golf Resort located approximately five miles south of Lincoln City.

The Board of Directors meeting will be held Thursday, October 22 at 7:00 p.m. and the annual fall convention will begin Friday, October 23 through Saturday, October 24. The meeting will include these "can't miss" activities and presentations:

- Annual golf tournament at Salishan Golf Course
- Election of new officers for 2010
- General membership meeting
- Friday night social hour & banquet
- Friday night hospitality suite
- Separate & combined classes for drilling/pump/water treatment
- CECs for drillers with (2) hours of required rules
- OGWA Member of the Year Award presentation
- Curley Kinney Award presentation

This year's fall convention will be a great opportunity for you to bring the entire family for a possible extended weekend stay. There are lots of activities on site at Salishan or just minutes from the resort.

We have secured very favorable guest room rates that will help make your stay more enjoyable and relaxing. So please mark your calendar and join us October 23-24 then plan to add a day or two to enjoy the beautiful Central Oregon Coast and all the amenities of Salishan Spa & Golf Resort. Please see attachment for more information.

Thank you very much and I look forward to seeing all of you there.
